The **NC State University** coaching staff is excited to announce camp dates for the Wolfpack Soccer Academy. Our staff is comprised of successful college coaches as well as former collegiate, professional and national team players. In addition, many of our current NC State players will be in attendance.

The **NC State** women's soccer program has a rich history. The program is one of only 3 teams in the ACC to have won the prestigious ACC tournament. It is also one of only 15 programs in the nation to have an NCAA runners-up trophy and one of only 17 programs in the nation with multiple final four appearances.

This is an exciting time for **NC State** soccer with a new coaching staff, a renovated soccer stadium, and high aspirations for the future. We would like you to be a part of it. For more information on the women's team go to www.gopack.com and to register online for camp please go to www.wolfpacksocceracademy.com. We look forward to seeing you at camp this summer.

Yours in soccer,
